KING EDWARD HOLDS LEVEE.

Many Members of United States Embassy Were Present

the first levee of the season in the London, Feb. 24.-King Edward held throne room of Buckingham palace today. Ambassador Choate and other memebers of the United States embassy were among the diplomats present, The king was attended by the prince of waies, most of the cabinet ministers and all the great officers of state,

Mr. Choate presented among others D. R. Francis, commissioner of the St. Louis exposition.

After the levee the king sent to ask Mr. Francis if he should like to be received in private audience and receiving an affirmative reply, promised to fix a date.

Mr. Francis will attend today's debate in the house of commons on War Secretary Broderick's army scheme, During an informal conversation which Mr. Francis had with Lansdowne on the subject of the St. Louis exposition the foreign secretary expressed keen interest in the fair and promised it every possible support.

nouncement of the appointment in the exposition.

GOMPERS IN CHICAGO.

Trouble In Clothing Industry.

Chicago, Feb. 24.—President Samuel Gompers, of the American Federatio: of Labor, has reached Chicago to take up and adjust the labor strife that is now lying up the clothing industry of the city. He will hold a joint meeting with all concerned today.

Mr. Gompers said that the American Federation of Labor had sent one of its prominent men to the Philippines on a secret mission. While there he will examine into the industrial conditions of the country, especially on the growth and present status of the Chinese and the half-breed. He will also go to China and Japan to examine into conditions there and make an investigation into the immigration to the Philippines and Hawali,

a national organization. This will Miss Choate and R. U. Johnson. probably be done.

NORTHERN AGAIN CHOSEN.
